Allergens

For allergen information please refer to the website or individual ingredient labels.

Please check the ingredients you already have at home to ensure that they are safe for your allergen and dietary needs.

Wash your hands before and after handling ingredients. Wash fruit and vegetables, but not meat. Use different chopping boards and utensils for raw and ready-to-eat foods or wash these in between uses.

Cook the Quinoa

- Boil a large pot of **water** for the **quinoa**.
- When boiling, add the **stock** and stir to dissolve.
- Stir in the **quinoa** and bring back to the boil.
- Cook until the **quinoa** has doubled in size and the seed has visibly split, 12-15 mins.
- Drain in a sieve and return to the pot. Cover with a lid and set aside, off the heat.

TIP: If you're in a hurry you can boil the water in your kettle.

Get Prepped

- Meanwhile, cut the **tomato** into 1cm cubes.
- Drain and rinse the **beans** in a sieve.
- Place a large pan over medium-high heat with a drizzle of **oil**.
- Fry the **beans** with the **Mexican spice mix** until fragrant, 4-5 mins. Stir through the **chipotle paste**.
- Meanwhile, make your dressing by mixing the **harissa spice mix**, the juice of one whole **lime**, 2 tsp **oil**, ½ tsp **salt** and 1 tsp **sugar** (double all for 4p) in a large bowl.

Assemble the Salad

- Halve the **avocado** and remove the pit.
- Cut the **avocado** into chunks (while still in its skin) then use a spoon to scoop the flesh into the bowl with the dressing.
- Add the **salad leaves**, **quinoa**, **beans** and **tomato** to the bowl.
- Crumble in **half** the **Greek style cheese**.
- Mix well and season to taste with **salt** and **pepper**.

Garnish and Serve

- Divide the **quinoa** salad between bowls.
- Top with a crumbling of the remaining **cheese**.

Enjoy!
