Nutrition for uncooked ingredients based on 2 person recipe.

## Allergens

For allergen information please refer to the website or individual ingredient labels.

Please check the ingredients you already have at home to ensure that they are safe for your allergen and dietary needs.

Wash your hands before and after handling ingredients.

Wash fruit and vegetables, but not meat. Use different chopping boards and utensils for raw and ready-to-eat foods or wash these in between uses.

## Get Prepped

- Drain and rinse the **kidney beans** in a sieve.
- Peel and grate the **garlic** (or use a garlic press).
- Halve, peel and chop the **onion** into small pieces.
- Halve the **chilli** and discard the core and seeds. Finely chop.
- Halve the **bell pepper** and discard the core and seeds. Slice into thin strips.

## Make the Cauliflower

- Meanwhile, trim and roughly chop the **cauliflower**.
- Place a pan over medium-high heat with a knob of **butter** and a drizzle of **oil**.
- When hot, cook the **cauliflower** until starting to char, stirring regularly, 8-10 mins.
- Remove the pan from the heat and season to taste with **salt** and **pepper**.

**TIP:** Instead of chopping the cauliflower, you can also use a food processor to make cauliflower rice. Simply fry for 3-4 mins after blending!

## Soften the Veg

- Place a large pot over medium-high heat with a drizzle of **oil**.
- Once hot, fry the **onion**, **garlic** and **pepper** until softened, stirring occasionally, 4-5 mins.
- Reduce the heat to medium-high, add the **Mexican spice mix** and fry until fragrant, 1 min.

## Finishing Touches

- Stir the **chipotle paste** and **half** the **creme fraiche** into the pot and allow to warm through, 1-2 mins.
- Add a splash of **water** if you feel the stew is too thick.
- Season to taste with **salt**, **pepper** and **sugar**.

## Simmer the Chilli

- Add the drained **beans**, **stock**, **passata** and **chilli** (use less if you don't like spice) to the pot.
- Stir to combine.
- Cover and simmer for 5-7 mins.

**TIP:** Stir every so often to prevent sticking.

## Garnish and Serve

- Divide the **kidney bean chilli** between bowls.
- Serve the **cauliflower** alongside.
- Top everything off with a dollop of remaining **creme fraiche**.

**Enjoy!**
