Allergens

For allergen information please refer to the website or individual ingredient labels.

Please check the ingredients you already have at home to ensure that they are safe for your allergen and dietary needs.

Wash your hands before and after handling ingredients.
Wash fruit and vegetables, but not meat. Use different chopping boards and utensils for raw and ready-to-eat foods or wash these in between uses.

Get Prepped

- Pour 300ml cold **salted water** (per 2P) into a medium pot with a tight-fitting lid.
- Stir in the **rice** and bring to the boil. Once boiling, lower the heat to medium, cover, and cook for 10 mins.
- Remove the pot from the heat and keep covered for 10 mins or until ready to serve (the **rice** will continue to cook in its own steam).
- Halve, peel and chop the **onion** into small pieces.
- Drain the **sweetcorn** in a sieve. Quarter the **lime**.

Finish and Serve

- Season the curry to taste with **salt, pepper** and **sugar**. Loosen with a splash of **water** if you feel it's too thick.
- Fluff up the **rice** with a fork.
- Serve the **sweetcorn butter** masala in bowls alongside the **rice**.
- Garnish with **cashews** and **coriander**.
- Finish with a squeeze of **lime** juice.

Enjoy!

Fry the Cheese

- Chop the **grilling cheese** into 2cm chunks and pop into a bowl of cold **water** to soak.
- Place a pan (preferably non-stick) over medium-high heat with a drizzle of **oil**.
- Once the pan is hot, remove the **cheese** from the bowl and pat dry with kitchen paper.
- Fry the **cheese** until golden all over, 4-6 mins. Shift every 1-2 mins.
- Once the **cheese** is golden, remove from the pan and return the pan to medium-high heat.

Make the Sauce

- Add 2 tbsp of **butter** (per 2P) to the pan. Fry the **onion** until softened, stirring occasionally, 4-5 mins.
- Add the **North Indian spice mix** and **korma paste**. Fry for 1 min.
- Add the **sweetcorn, passata** and 50ml **water** (per 2P). Simmer for 5-7 mins.
- Stir in the **cheese** and **coconut milk** and allow to warm through.
- Roughly chop the **coriander** (stalks and all).

TIP: Stir the coconut milk (or shake the packet) to dissolve any lumps.
