Before you start

Our fruit, veg and herbs need a wash before you use them!
We recommend reading the recipe in full before beginning to cook.

Wash hands before and after handling ingredients. Wash fruit and veg, but not meat. Use different utensils for raw and ready-to-eat foods or wash these in between uses.

Cooking tools you will need

Grater, oven dish, whisk

Bake the Cake

- Preheat your oven to 190°C/170°C fan/gas mark 5.
- Trim the **carrot**, then coarsely grate (no need to peel).
- Fold the **cinnamon** and **carrot** through the **cake batter** until well incorporated.
- Line an oven dish (approx 30x20cm) with baking paper.
- Pour the batter into the lined oven dish. Bake in the oven for 50-60 mins.

Toast the Nuts

- When the cake has 10 mins cooking time to go, place the **hazelnuts** on a baking tray and toast in the oven until golden, 6-8 mins.
- Allow to cool and then bash or roughly chop.
- Check if the cake is done by piercing it with a skewer or knife—if it comes out clean the cake is ready.
- Remove the cake from the oven and allow it to cool fully, about 20 mins (place in the fridge to speed up cooling).

Finish and Serve

- Once the cake has cooled completely, whisk the **crème fraîche** with **cream cheese** and 1 tsp **sugar** in a bowl.
- Spread the sweetened **crème fraîche** mixture over the top of the cake, then garnish with the **hazelnuts**.
- Slice and serve.

Enjoy!
